If you are interested contact FTCM BEAULIEU/COMM 202-781-1435/EMAIL BEAULIEUSL@NAVSEA to discuss qualifications and for details.

AT IN THE UNITED KINGDOM AND DENMARK

Strong Resolve 2002 will be held in early March 2002 in Northwood, UK (approximately 40 minutes north of London) and Blue Game 2002 will be held in May 2002 in Aarhus, Denmark.

Officers are needed to serve as NATO deputy submarine controllers or assistant submarine controllers. IT rates are needed to serve as both message handling operators and as navigation assistants (plotters). Previous experience in submarine control, MCCIS, JMCIS, or GCCS-M is Highly desired but is not required. Experience in NATO procedures is desired, but not required. These are excellent opportunities to experience watchstanding in a NATO submarine command center, and allow for excellent liberty in Europe.
